YOUNG CITIZEN DAY TRIP

On Thursday, all Year 6 pupils had a trip to the Yardley Chase Cadet Training Centre in Northampton.

The trip was action-packed, with many different and interesting workshops throughout the day. We were joined by children from other Schools in Northamptonshire.

We met staff from all of the emergency services including the Police, Ambulance and Fire Brigade. We also had a session finding out about safety around large lorries.

One of the workshops involved the Police catching a lady who stole a mobile phone during our session. We had to give a description of the lady so that the Police could arrest her.

We had a talk about internet safety and also how to be safe around water. Our final session was with a charity called Voice. They help children who have been the victims of crime.

We all thoroughly enjoyed our fascinating day out and found out more about how to be better citizens.
