Well done to everyone for planting trees in our grounds this week.

Polite Reminders:

- If parents are waiting in the link corridor at the end of the day please can we ask that you do not sit on the stairs or let your child run up and down the stairs. The Year 1 children and staff need the stairs to be clear. There are books available for you to read with your child. We have also noticed sweets dropped on the floor so would ask that you do not bring any sweets into the link corridor.
- Please can you remind your child that football is not to be played at the start of the day. It causes too many problems that impact on learning time.

Thank you.
