"Where Childhood Matters"

Dormice and Fieldmice Newsletter, Week Ending: 9.11.18

Dear Parents/ Guardians,

We hope that the children all had a lovely half term, they seem to have returned more refreshed. This week we have had a 'bonfire and fireworks week', starting with the children talking about their bonfire night experiences from the holidays. Some children even had a try at recording a simple sentence. As it is now becoming dark on a night we talked about some of the things which happen on a night and during the day.

In PE we have explored 'fireworks' using movement and we used fabrics in different ways to represent the firework movements. They have created some amazing firework pictures using paints and pipets as well as chalks.

In maths we have looked at the different 3d shapes (cylinder, sphere, cube, cuboid, cone etc.) and have talked about some of the properties of these.

The children were very thoughtful and considerate on Friday morning when they attended the whole school remembrance service.

Things to note:

- Next week is anti-bullying week and to highlight that it is alright to be different the children can come dressed in odd socks all week.
- **Please note that the pantomime slip and voluntary contribution needs to be handed in by Friday 16th November.**

If you would like to speak to us or have any concerns, please do find us at the end of the day. We hope that you enjoy the holiday.

Mrs Sizer, Miss Searby, Mrs Pierrepont and Mrs Stinson.
