

We had our open day on Monday this week and, while there were not as many visitors as we would have liked, those that came were very impressed! Our 'tour guides' were outstanding representatives for the school. Visitors commented on the displays showcasing children's work, the fantastic, well-mannered tour guides and what an excellent school we have. I couldn't agree more!

Christmas is now fast approaching and already the choir are rehearsing for their performance at the library on the 29th November. Keep your eye out for dates in December as there is a lot happening for you and your children.

Reception and Year 1

Thank you to all the children who brought in torches, lights and glow sticks on Tuesday. We had a fantastic afternoon investigating light and dark. We identified different light sources and had fun finding items that reflected light. We ended our busy afternoon of investigations and games with a few fun minutes of disco dancing.
