

Reading

Our English work is currently focused on our new book: **Eliot, Midnight Superhero**. It is full of great vocabulary which we have been discussing. The children used their reading skills to explain what the main character is like during the day and at night time.

Writing

We are practising our narrative writing by re-telling one of Eliot's adventures. Over the last week we have worked on choosing great adjectives and adverbs to make our writing more exciting. Next we are going to plan and write our own superhero adventure!

Topic

A fire engine from Wheathampstead visited us on Wednesday! The firefighters showed us some of the equipment that they use. We burnt some model houses that year 1 had made to replicate the Great Fire and used the hose to put the fire out. Everyone got a turn sitting in the engine and using the hose!

Maths

On Thursday, we did an investigation which really tested the children's skills in thinking through a problem. We used drawing, resources and recording in a table to find a solution.

Other Information

I am sending home the children's parts for our Christmas Show, including their scripts. Please practise with your child so that they can perform with confidence. They have already learnt more than half of the songs!

Please don't feel that you need to buy a costume for the play - something simple often works really well. Also, no masks please as these often make it hard to hear the children speaking.

Christmas Market information!

Kimpton Christmas Market

Saturday 8th December.

Don't forget.....

SWEETIE TOMBOLA - there are Christmas cups available under the shelter by the lunch box trolley.

Please do take these cups, fill with sweets and treats, cover them and bring them back into class - week beginning 3rd December.

BOTTLE TOMBOLA - there will be a non-uniform day on Friday 7th December in exchange for a bottle towards the tombola.

Bottle to be brought in on morning of Friday 7th.

These stalls along with Santa's Grotto, children's crafts and fun games will be at the Market in the KIDS CORNER run by the PTA.

Any help on one of our stalls would also be greatly appreciated.
