ATTENDANCE

Miss Kenyon's class have the best attendance this week with 98.5%. Overall school attendance this week is 95.62%, and attendance to date is 95.87%. There are 58 pupils in school who are classed as persistent absentees – this means that their attendance is below 90%. This poor level of attendance is having a significant impact on pupil progress. Please ensure that your child attends school regularly.

PARKING

In the interests of our children's safety, may I remind you that no cars should be parking or dropping off in the marked areas around the school. Please park in a safe place, away from the school building, and walk to school. Even better – if possible, leave the car at home completely and walk to school. Thank you.
