7th November 2018

Dear Parent / Carer,

Our school has been selected as a Co-op local cause! Since 2017, the Co-op has given 1% of what members spend on Co-op branded food products and selected services, as well as money raised from sales of carrier bags and Co-op scratch cards in stores to local projects.

The purpose of our fund raising project is to improve our science garden to help create an inclusive and welcoming space for the school and local community.

You can help us to raise money for our cause, which will directly benefit our children. The first thing you need to do is be a Co-op member if you aren't already. This costs £1 and can be done via this link - www.coop.co.uk/membership

You will then receive a Co-op membership card which you can scan when you shop at any Co-op (you might already have one, which is still good for us). A benefit for you of being a member is that you'll receive 5% of the cash value of what you've spent on selected Co-op branded products in your member account.

Once you are a member, you can then log on to your account and choose a local cause. The Co-op will send you instructions of how to do this. We'd really like you to choose us! Even if you are a member but don't choose a cause, then your 1% will be split between all local causes, so school will still benefit.

If you have any questions or problems, or you'd like some help with the website and choosing a local cause, please call in and we'll help.

Yours sincerely,

Neil Frankland, Headteacher
