Dear Parent / Carer;

It has been brought to our attention, via the Friends Facebook page, that some of our parents are not happy with the quality of photographs taken this year.

We had complaints about the previous photography company and the school took the decision to find an alternate company. The photographs by the new company taken last year were well received and as such we remained with the same company this year.

We have been in contact with the company and they have offered to redo all the children's individual photographs at both the Infant and the Junior School.

The photographs will be taken on Wednesday morning (9.00am – 12.00pm) at the Infant School and in the afternoon at the Junior School (1.00pm – 3.30pm).

Any photograph orders that have been made online to the company will receive a refund on this photograph.

Any orders that have been placed into the school office the school will be returned in your child's bookbag. You will then have the choice of which photograph you prefer once the new photographs have come into school.

Braiswick have said that the new orders will be available before we break up for Christmas.

Please can I remind you that should you have any issues about the school we ask that you come and talk to us directly or email the school.

Kind regards

Sarah Dugdale
