

Castle Hill Governor Profile

Name	Katie Dennett
Category of governor	Co-opted
Term of office	2017-2021
Work	I am a Lead Teacher of Maths at a secondary school in Halifax. I also deliver courses for the White Rose Maths Hub to primary and secondary schools across the North of England.
Governance experience	This is my first role as a school governor.
Hobbies and interests	I love to do maths, explore research into pedagogy and keep up-to-date with politics. I am a keen football fan and enjoy visiting different grounds. Hill-walking, reading and cooking are some of my favourite pastimes.
Links to the school/area	I have grown up in Todmorden and I am an ex-pupil of St Joseph's Primary school. I volunteer at a local Brownie group and support the Parish of St Joseph's as a reader and at fundraising events.
Why did you become a governor?	As a parent and a teacher, the education of children in Calderdale is extremely important to me. I hope that my passionate approach to teaching and learning coupled with my pedagogical knowledge will help me to support the governors, staff and pupils of Castle Hill.
