Dear Parents/Carers,

One way in which we listen to the views of our parents is through our annual questionnaire. Attached you will find the results of the questionnaire which was carried out as part of the Parent Consultation meetings. Thank you to everyone who responded as your views help us to shape our ongoing school improvement priorities.

We had 102 responses this year from parents across all year groups. The results are extremely pleasing and reflect the ongoing efforts of the staff to provide a good education and enhance your children's experience at Ripley Infant School.

From these results, a clear area to develop is communication regarding our behaviour policy and how we manage poor behaviour. We have recently reviewed our behaviour policy and if you would like to see a copy it can be downloaded from our website or please speak to the school office.

As part of our work with the Attachment Aware Schools Programme we are aiming to ensure that **all** children have at least one adult in school that they feel confident to speak to if they have a problem.

We are also aware that a small number of you disagree that the school provides appropriate homework. Next term we will be reviewing our homework policy and if you would be interested in joining a working party to help develop this area please contact me.

Thank you for your feedback and continued support.

Yours Sincerely

Mrs Paula Doleman
(Headteacher)
