26<sup>th</sup> November 2018

Dear Parent/Carer,

This year, we are joining the Rotary Club **Purple4Polio** campaign to raise awareness and support the eradication of Polio disease in babies and young children.

We have spoken to the children in assembly on how we can help to stop Polio disease. To raise money for this cause, we are selling crocus bulbs at £1 each in school. Half of the money raised will go to our school Gardening Club and the other half to the Woolwich Rotary Club for the **Purple4Polio** campaign.

If you would like your child to take part, please send £1 for the purchase of the crocus bulb, your child will take their crocus bulb home where they will plant it into a pot to grow and nurture and return their plant to school on Monday 28<sup>th</sup> January 2019. All the plants will eventually be replanted on our school grounds by the Gardening Club.

Crocuses are on sale now in Mrs Ladele's office for £1 – limited stock of only 250 bulbs, first come, first served.

Best regards

Mrs Bode Ladele  
Deputy Headteacher
