

Charging Policy at Coxhoe Primary School

As a school we seek to meet the costs of all Educational activities undertaken by pupils from our delegated school budget provided by Durham LEA. We also raise additional money through a variety of fund-raising activities or by applying for various grants and allowances. This enables us to further improve school buildings/grounds and enhance the broader curriculum.

However, from time to time and in the case of some extra-curricular activities, Educational and Residential visits, we may ask parents to offer a voluntary contribution to the costs of valuable activities and experiences.

These costs are communicated to parents well before the event and parental help with the costs enable us to offer a much wider range of such activities.

No child will be excluded if they have not paid. However, the school wishes to make clear that should insufficient funds be raised to cover the costs, visits or additional curriculum activities may need to be cancelled.

A breakfast club is provided at a competitive rate for child care and a broad range of after school clubs are available for a small charge.

The Governing Body reserves the right to seek reparation from parents where their children cause breakages or damage to school property.

This policy is reviewed annually.
