Dear Parents/Carers

We look forward to you coming to our Parents Evenings on 4<sup>th</sup> and 5<sup>th</sup> December.

Autumn reports will be shared with you at this meeting. We have changed the format of reports for Key Stage 1 and Key Stage 2 children, after talking with parents about what you would like to know. We hope the new format is more informative and useful for you.

Foundation reports will stay the same. A blank template of the report that your child will receive is attached and an explanation below of the tables given.

**Foundation**

Sept-Dec 2018	Below	Emerging	Expected	EXCEEDING
	Below A.R.E	Working within A.R.E	Secure at A.R.E	Exceeding A.R.E
Personal, social and emotional development				
Communication and language				
Physical development				

The table lets you know about how your child is progressing in the Prime Areas of the Foundation Stage Profile. We will also let you know how your child is settled in school.

The EYFS judgement column is the judgement your child was given at the end of Foundation and the Current end KS1 Prediction column is what your child is predicted to get by the end of Key Stage 1 (linked to how they did at the end of Foundation). The Year end Prediction column is the teacher's current prediction as to where your child will be at the end of the year. The final column is an indicator as to whether your child is currently on track on their flightpath to achieve their end of Key Stage 1 prediction.

**Key Stage 2 report**

Autumn term 2018	KS1 Result	Current end KS2 Prediction	Year end Prediction	On flightpath?
Reading				Y/N
Writing				Y/N
Maths				Y/N

The KS1 Result column is the judgement your child was given at the end of Key Stage 1 and the Current end KS2 Prediction column is what your child is predicted to get by the end of Key Stage 2 (linked to how they did at the end of Key Stage 2). The Year end Prediction column is the teacher's current prediction as to where your child will be at the end of the

year. The final column is an indicator as to whether your child is currently on track on their flightpath to achieve their end of Key Stage 2 prediction.

This report template will be updated at the end of the Spring and Summer term. So by July 2019, you will have all three terms in one report.

Teachers will talk you through your child's report at Parents Evening. We look forward to seeing you then.
