

Warley Primary School

School Ethos

Above all else, the school is a place for children to learn, grow and develop. We intend to provide an environment within which all the children in our school will be safe and comfortable, feel secure, happy and motivated and fulfill their potential. Children will receive the best education possible, appropriate to their individual needs.

- Our school is a friendly, inclusive and supportive community within which the staff and children are encouraged to promote the growth of trust and mutual respect.
- We aim to work in partnership with parents by encouraging dialogue, welcoming parents into the school, and keeping them fully informed of school policy and the progress of their own children.
- We have created a stimulating, well-ordered environment for learning, in which we hope all children will thrive and succeed.
- We expect impeccable standards of behaviour and we help children to understand that they are responsible for improving their own behaviour with our support and advice.
- Our broad and balanced curriculum is carefully planned to deliver effective and challenging learning, developing inquisitive learners and building on children's previous achievements.
- We regard the spiritual, moral, social and cultural development of every child as an essential priority.
- Opportunities for learning within the wider community are fully exploited through carefully planned study visits, organised events and visitors.
- We believe that every child has unique talents which may take different forms, but are equally valued and encouraged. We aim to make children aware of their own strengths and help them to learn to value the strengths of others.
- The children are encouraged to use their initiative, are given responsibility, and helped to develop self-confidence.
- We expect that children will leave our school with confidence in their own ability, with the skills to extend and apply their knowledge, and the belief that learning is enjoyable and rewarding.

Above all else, we aim for all pupils to leave our school at the end of their primary career with happy memories of their time at Warley Primary School.
