

Weekly Newsletter 26 November 2018

Governors

The governing board are very important in any school but particularly in a stand-alone academy such as QPA. Some of you may know our parent governors but we also have governors from the wider community.

Starting next week, we will be featuring individual members of the board in this newsletter so you can put faces to names and learn a little bit about the people who volunteer for this very important role.

We are recruiting for a new parent member of the governing board so, if you are interested in shaping the future of QPA, please ask in the school offices on either site for a nomination form. You will need to give your name and address, the details of someone who would support your nomination and write a little bit about yourself. All our governors are subject to the same stringent safeguarding checks as our staff so we would apply for a DBS certificate for any new governors.

If you would like to find out a little more about what the role would entail, please make an appointment to see me. I can also arrange for you to meet one of our governors who can give you their thoughts on the amount of time you will need to spare.

We are also looking for community board members with a background in building, law or human resources so if you know someone who works, or has worked in these fields please ask them if they would be interested too. The closing date for this round of nominations is Friday 14th December 2018.

Thank you for your support.

Mrs Anna Thwaites

Headteacher

REMINDER
