27th November 2018

Dear Parents / Carers

I am delighted to inform you that we have launched Times Table Rockstars in school. This is a really fun game which children can access at home using both the internet and the TT Rockstars app. This game will supplement Mathematics which children are already accessing and enjoying.

Getting Started on TT Rockstars:

Children will need to decide if they are going to use the app or use the website.

1. Search TT Rockstars (and download the app if using the app)
2. Click login
3. Enter school name (which is not Drifffield Junior School or our postcode).
Instead, please enter 'Riding Forward Teaching School' or HU17 7HF
4. Click 'student'
5. Enter username and password (see sticker in planner)

The idea behind TT Rockstars is that world-famous rock musicians are the best at what they do because they have spent hours and hours practising. Times tables are just the same. Children need to practise the times tables as much as possible so that they know them with ease.

Please refer to the maths section at the back of the planners (pp.107) for further detail of which times tables we practise in school each half term. Children only need practise the times tables listed in each half term. See below for a breakdown.

I hope your child thoroughly enjoys this new and exciting game.

Mr S Addy
Maths Co-ordinator
