Academy Complaints Procedure

**ADOPTED AT THE MEETING OF
TRUSTEES
7th November 2018
CHAIR OF BOARD: Mr J Pugh**

Document control

This is a statutory trust-wide policy adopted and reviewed by either the Board of Trustees or its Finance, Audit & Risk Committee and relates to all schools that are partners within the Trust. Specific Academy policies, e.g. curriculum policies will be found on individual school websites.

This policy was updated in August 2018 and was adopted at the meeting of trustees. It will be reviewed every two years. Next review August 2020.

Academy Complaints Procedure (Revised August 2018)

1. Purpose of the Complaints Procedure

This policy applies to all complaints made against CFAT academies and its establishments about any provision of facilities or services provided with the following exceptions, for which there are separate (statutory) procedures:

- Admissions to schools;
- statutory assessments of Special Educational Needs (SEN);
- school re-organisation proposals; and
- matters likely to require a Child Protection Investigation.

Complainants must be made aware that there is a complaints procedure and a copy of this policy will be available on request as well as being posted on each trust establishment website.

This procedure aims to reassure parents and others with an interest in the academy that:

- any complaint against the academy or trust will be dealt with in a fair, open and responsive way, with the aim of achieving a speedy and satisfactory resolution;
- the academy recognises that a willingness to listen to comments and criticism and to respond positively, can lead to improvements in academy practices and provision for pupils.
- All complaints will be recorded by The Head of Establishment, including informal complaints. The Head of Establishment is responsible for ensuring that staff record all complaints and their outcome this written record will be kept outlining all complaints raised at the formal stage; whether they are resolved following a formal procedure, or proceed to a panel hearing; and any actions taken by the school because of those complaints (regardless of whether they are upheld).
- Correspondence, statements and records relating to individual complaints will be kept confidential except where the Secretary of State or a body conducting an inspection under section 109(1) and (2) of the Education and Skills Act 2008 (the Act) requests access to them or where the Trust is otherwise required by law to disclose them.
- The establishments local Governance Academy Board or Committee will monitor the level and the subject matter of complaints and review outcomes on a regular basis through the mechanism of performance and data reporting back to the trusts Board of Trustees.

2. Accountability

The Trust has overall responsibility for the effective operation of this policy and for ensuring compliance with the relevant statutory or Trust framework. The Trust has delegated day-to-day

responsibility for operating the policy to CFAT Central Team, the Local Governing Body and the Head of each establishment.

The Local Governing Body and Senior Leadership Team at each establishment has a specific responsibility to ensure the fair application of this policy and all members of staff are responsible for supporting colleagues and ensuring its success.

The Head of Establishment holds delegated responsibility for discharging the sound application of all establishment policies.

The Head of Establishment should inform CFAT and their Governing Body of all matters relating to serious breaches of this policy including any major incident to be addressed under this policy promptly, preferably prior to action being taken insofar as is reasonably practicable.

3. **Monitoring, evaluation and review**

This policy will be promoted and implemented throughout all Trust establishments.

The Trust and its Governors will monitor the operation and effectiveness of arrangements referred to in this policy at each Trust establishment.

The Trust will review this policy every two years in consultation with each Trust establishment.

4. **Scope of the Procedure**

The procedure takes account of the The Education (Independent Academy Standards) (England) Regulations 2010 and advice given by the Education Skills Funding Agency in 2018 with regard to dealing with academy complaints

Complainants may be anyone with an interest in the work of the academy e.g. parents, carers, guardians, grandparents, neighbours of the academy. However, it is expected that it will be mainly parents or guardians who will make use of this procedure. The term 'parent' is therefore used throughout the procedure as a generic term but the procedure also applies in relation to any other type of complainant

A complaint is defined as a clear statement of dissatisfaction about any specified aspect of the academy's work.

This procedure covers all complaints about the provision of facilities or services that an academy provides with the **exceptions** listed below, for which there are separate (statutory) procedures:

Exceptions	Who to contact
Statutory assessments of Special Educational Needs (SEN)	Concerns should be raised directly with local authority SEND team SEND helpline: 01942 486136
Safeguarding	Academies have a duty to safeguard and promote the welfare of their pupils under section 175 of the Education Act 2002. It is not for the academy to investigate or make a judgment about possible abuse or neglect, but they must refer any concerns they may have to the appropriate organisation. Further information on our Wigan establishments safeguarding referrals can be found at: https://www.wigan.gov.uk/Resident/Health-Social-Care/Children-and-young-people/Professionalreferralform.aspx
Allegations of professional abuse	Allegations of abuse or inappropriate conduct, or concern, regarding a member of the academy staff must be reported to the Head of Establishment immediately. Allegations of abuse against the Head of Establishment must be reported to the Chief Executive immediately. Further information on safeguarding referrals within our Wigan establishments can be found at: https://www.wigan.gov.uk/Resident/Health-Social-Care/Children-and-young-people/Child-protection/Child-protection.aspx
Staff grievances and disciplinary procedures	These matters will be dealt with through the academy's internal disciplinary or grievance procedures. Complainants will not be informed of the outcome of any investigation.
Exclusion of children from academy	Further information about raising concerns about exclusion can be found at: www.gov.uk/government/publications/school-exclusion
Whistleblowing	Our academies have a statutory internal whistle-blowing procedure for our employees, voluntary staff and anyone with an interest in one of our establishments. Other concerns can be raised directly with Ofsted.
Complaints about services provided by other providers who may use academy premises or facilities.	Providers should have their own complaints procedure to deal with complaints about external services. They should be contacted directly.
Expectations	Only complaints received in writing (preferably using the Complaints form) will be considered. Anonymous complaints will not be considered. Complaints must be made within 3 months of the event. Complaints after this period will not be considered.

3. **General**

- 3.1 The academy and/or parent may request advice or guidance from the Council's Designated Officer (L.A.D.O) on the application of these procedures. However, it is the responsibility of the academy to investigate the complaint and make any decisions on the outcomes. (See 8.13)
- 3.2 Records of all conversations and meetings with parents to resolve complaints should be kept. At a General Complaints Panel meeting, minutes will be taken. To help prevent recurring complaints, copies of correspondence and notes will be kept on file in the academy's records, but be held separate from individual pupil records.
- 3.3 If at any stage in the procedure it becomes apparent that the complaint falls outside the remit of these procedures, parents will be informed.
- 3.4 Complaints should be made as soon as possible after an incident arises and usually within three months, however, exceptions may be made in extenuating circumstances.
- 3.5 Extensions to time-lines will be at the discretion of the Chair of the Trustees.

4. **Serial or Persistent Complaints**

- 4.1 If the complainant contacts the academy repeatedly about the same matter, then such communications may be viewed as 'serial' or 'persistent' and the academy may choose not to respond. However, academies must not mark a complaint as 'serial' before the complainant has completed the procedure.
- 4.2 The decision to stop responding should never be taken lightly. An academy needs to be able to say yes to all of the following:
 - The academy has taken every reasonable step to address the complainant's needs;
 - The complainant has been given a clear statement of the academy's position and their options (if any); and
 - The complainant is contacting the academy repeatedly but making substantially the same points each time.

The case is stronger if the academy agrees with one or more of these statements:

- The academy has reason to believe the individual is contacting them with the intention of causing disruption or inconvenience
- Their letters/emails/telephone calls are often or always abusive or aggressive.

- They make insulting personal comments about or threats towards staff.
- 4.3 The application of a 'serial or persistent' marking should be against the subject or complaint itself rather than the complainant.
 - 4.4 Where the Head of Establishment, Chief Executive and/or Chair of Trustees, judges a complaint to be serial or persistent, they should take appropriate action which may include rejecting the complaint and/or restricting contact between the complainant and the academy.
 - 4.5 The Head of Establishment, Chief Executive or Chair of Trustees, as appropriate, should write to the complainant and explain this decision and the reasons for it and what action will follow, if applicable.
 - 4.6 Where a complainant seeks to reopen a matter which is the same as, or similar to, a matter previously considered under the procedure, the Head of Establishment, Chief Executive or Chair of Trustees has the right to inform him/her that the procedure has been exhausted and the matter is closed.
 - 4.7 The Department for Education does not itself use the term 'vexatious' when dealing with serial or persistent correspondents as it could potentially be inflammatory. However, it is a recognised term. In the context of Freedom of Information requests, 'vexatious' could be defined as the '*...manifestly unjustified, inappropriate or improper use of a formal procedure.*' An exemption therefore exists in Section 14(1) of the FOI Act. However, this exemption can only be applied to requests themselves, and not the individuals who submit them.

More information about dealing with vexatious requests for information is available on the [Information Commissioner's Office \(ICO\) website](#).

Academies may wish to publish the Model Policy for Unreasonable Complainants as an addendum to this policy (Appendix 1).

5. **Banning from School Premises**

- 5.1 Academies are private places; the public has no automatic right of entry. If an individual's behaviour is a cause for concern, an academy can ask him/her to leave academy premises.
- 5.2 In serious cases, the Head of Establishment or Chief Executive can notify them in writing that their implied permission to be on academy premises has been temporarily removed subject to a later review. If this decision is taken, academies are advised to always put it in writing and explain how the decision can be appealed. Academies should also give the individual the opportunity to formally express

their views on the decision to ban in writing.

- 5.3 The decision should then be reviewed and either confirmed or lifted. If the decision is confirmed the individual should be notified in writing, explaining how long the ban will be in place.
- 5.4 Anyone wishing to complain about being banned can do so, by letter or email, to the Chief Executive or Chair of Trustees. However, complaints about banning cannot be escalated to the Department for Education. Once the academy procedure has been completed, the only remaining avenue of appeal is through the Courts; independent legal advice must therefore be sought.

6. Withdrawal of Complaints

- 6.1 Complaints may be withdrawn at any stage by the complainant by giving notice in writing.
- 6.2 Anonymous complaints will not be considered.

7. Stage 1 : Informal Stage

- 7.1 On occasions, a parent may raise a concern directly with trust staff without any formality. At this stage, it may be unclear whether the parent is making a complaint, seeking information or has misunderstood a situation. Regardless of this, the establishment will aim to resolve the concern at this point in a speedy and effective way.
- 7.2 However, if the concern is not resolved immediately and the parent confirms they wish the matter to be dealt with as a complaint, the opportunity to discuss the matter with an appropriate member of staff will be given e.g. Head Teacher, Head of Establishment, Key Stage Leader, or another member of the Senior Leadership Team. In the case of a complaint against the Head of Establishment, the complainant should, whenever possible, discuss their concerns with the Head of Establishment in the first instance. However, should the complainant be unable to do this, then they may proceed directly to Stage 2 of the procedure by writing to the Chief Executive of the Multi-Academy Trust.
- 7.3 Complaints against the Chief Executive should be directed to the Chair of the Board of Trustees at Stage 2 of the procedure by writing to the Chair care of Community Frist Academy Trust, Rivington Ave, Platt Bridge, Wigan, WN2 5NG, marking the letter "Private and Confidential".
- 7.4 If a parent raises a complaint with a Trustee, then the Trustee should refer the complainant to the Chief Executive.
- 7.5 The member of staff will discuss the issue with the parent and those involved in academy, with the aim of resolving the complaint as soon as possible. The parent will be informed in writing of the outcome of the investigation and what action, if any, the academy proposes to take.

- 7.6 It is anticipated that the majority of complaints will be resolved at this stage. However, if the informal process has been exhausted and no satisfactory solution has been found, the parent will be informed by the academy of how to progress the matter to Stage 2 of the Academy Complaints Procedure.

8. **Stage 2 : Referral to the Chief Executive/Chair of Trustees for further investigation**

- 8.1 If wishing to proceed with the complaint, the parent will be invited to put the complaint in writing to the Chief Executive or Chair of Trustees, via the academy using the form attached at Appendix 2. The form should be submitted within **ten school days** of receiving the written response at Stage 1. A copy of the form should be retained by the parent.
- 8.2 Where the complaint has been addressed by the Head of Establishment at Stage 1, Stage 2 will be undertaken by the Chief Executive. Complaints against the Chief Executive will be investigated by the Chair of the Board of Trustees.
- 8.3 The Chief Executive or Chair of Trustees will acknowledge the written complaint within **five school days** of receipt and provide an opportunity to meet the parent to discuss the complaint within the following **ten school days**.
- 8.4 Following discussion with the parent, the Chief Executive or Chair of Trustees will investigate the complaint and a written response will whenever possible be made within **fifteen school days** of the meeting. Where the parent refuses the offer of such a meeting the Chief Executive or Chair of Trustees will inform the parent of the outcome of their investigation within **fifteen** school days of receipt of the written complaint. If this is not possible, a letter will be sent explaining the reason for the delay and providing a revised date by which they will respond.
- 8.5 The written response will include full reasons for the conclusions reached by the Chief Executive or Chair of Trustees and what action, if any, the academy proposes to take to resolve the matter. The written response will also inform the parent how to progress the matter to Stage 3 of the Academy Complaints Procedure if they believe that the matter has not been adequately resolved at Stage 2.

9. **Stage 3 : Review by the Trustees' Complaints Panel**

- 9.1 If the parent remains dissatisfied, they will be advised that, in order to progress the complaint further to Stage 3, they must notify the Clerk to the Board of Trustees in writing **within ten school days** of receipt of the written response at

- Stage 2, enclosing a copy of the original complaint form.
- 9.2 Except in exceptional circumstances, should the parent not inform the Clerk to the Board of Trustees of their intention to proceed to Stage 3 within **ten academy days** of receipt of the written response at Stage 2, the complaint will be considered closed.
 - 9.3 Complaints only rarely reach Stage 3. However, when the need arises, the **Trustees' General Complaints Panel** will consider complaints at this stage. (See Appendix 3)
 - 9.4 A written acknowledgement of the complaint and the request for it to be heard at Stage 3 of the procedure will be sent to the parent by the Clerk to the Trustees within **five school days**.
 - 9.5 The letter will inform the parent that the complaint will be heard by the General Complaints Panel (GCP) within **twenty school days** of receiving the complaint. Any request, by either party, to extend this time limit must be put in writing to the Clerk to the Board of Trustees. The letter will also inform the parent of the right to submit any further documents other than the complaint form and that these must be made available to the Clerk within **five school days** of receipt of the acknowledgement letter. The right of the parent to be accompanied by a companion of their choice and the right to call witnesses to the meeting, subject to the approval of the Chair of the GCP, will also be explained in the letter. The Clerk to the Board of Trustees should be informed of the names of any witnesses being called and their relevance to the complaint.
 - 9.6 The Clerk to the Governing Board will send a copy of the letter of acknowledgement to the complaint to the Chair of Trustees and/or Head of Establishment and will request that a copy of the written response made at Stage 2, and any other documents for consideration at the hearing be submitted within **five school days** of receipt of the letter. The right to call witnesses to the meeting, subject to the approval of the Chair of the GCP, will also be explained in the letter. The Clerk to the Board of Trustees should be informed of the names of any witnesses being called and their relevance to the complaint.
 - 9.7 The Clerk to the Governing Board will then convene a GCP meeting, having consulted with all parties on convenient times. The date, time and venue for the meeting will then be confirmed at least **ten school days** in advance.
 - 9.8 The Education (Independent Academy Standards) Regulations 2010 Part 7 stipulates that the appeal panel in academies must comprise of at least three people, one of whom is **independent of the management and running of the academy**.
 - 9.9 All relevant documents provided by both parties will be forwarded by the Clerk of the GCP to: the parent; the Chair of Trustees and/or Head of Establishment; and each panel member. These will be provided as soon as possible and, in any event, at least five academy days prior to the meeting.
 - 9.10 The meeting will be held following the procedures for hearing a complaint detailed in Appendix 3.
 - 9.11 Failure by the parent to attend the hearing without reasonable cause could result in the hearing going ahead and a decision being made in their absence. The decision to proceed with the hearing without the presence of the parent will be at the discretion of

the GCP.

- 9.12 A written decision will be sent by the Chair of the GCP within ten academy days of the hearing. The letter will be sent to the complainant and, where relevant, the person that was complained about. The Letter will also be held by the Establishment for inspection on the school premises by the trust and Head of Establishment.
- 9.13 The letter will give details of the decision of the GCP and confirm that the decision of the panel is final.
- 9.14 If a complaint procedure has been exhausted and the complainant remains dissatisfied, they have the right to refer their complaint to the Education Funding Skills Agency (ESFA). ESFA has a duty to consider all complaints raised however will only act where the Board of Trustees has acted unlawfully or unreasonably and where it is expedient or practical to do so.
- 9.15 The Education Funding Agency's powers, in respect of academies in England, are delegated to the Ministerial and Public Communications Division. They will examine if the complaint policy and any other relevant statutory policies were followed in accordance with the provisions they set out. The Ministerial and Public Communications Division also examines policies to determine if they adhere to legislation. However, they will not normally re-investigate the substance of the complaint. This remains the responsibility of the academy.
- 9.16 The ESFA will not overturn an academy's decision about a complaint except in exceptional circumstances where it is clear the academy has acted unlawfully or unreasonably. If the ESFA finds that the academy has not handled a complaint in accordance with its procedure, the academy may be required to re-consider the complaint.
- Further information about ESFA's procedure for dealing with complaints about academies can be found at <https://www.gov.uk/government/organisations/education-and-skills-funding-agency/about/complaints-procedure>
- 9.17 The Local Authority has no role in reviewing the application by the trust of its complaints procedures.

10. **Complaints concerning a Trustee**

Complaints concerning a Trustee or the Chair of Trustees

In the case of a complaint made against a Trustee, the Chair of Trustees will investigate the matter and then decide on any appropriate action. Where appropriate this could include making a recommendation to the Board of Trustees about possible suspension. Where the complaint is against the Chair of Trustees the Vice–Chair will undertake the investigation and reach a decision. The Chair or Vice-Chair will write to the complainant giving details of their decision within fifteen academy days of receipt of the complaint.

The complainant can appeal against the decision of the Chair or Vice-Chair within a maximum of ten academy days of receipt of the decision letter. The Board of Trustees can either delegate the appeal to the complaints committee, or may, where they think it appropriate, appoint three other Trustees to form a complaints panel to investigate and make a recommendation by majority decision to the Governing Board.

Community First Academy Trust is committed to dealing with all complaints fairly and impartially, and to providing a high quality service to those who complain. We will not normally limit the contact complainants have with the academy. However, we do not expect our staff to tolerate unacceptable behaviour and will take action to protect staff from that behaviour, including that which is abusive, offensive or threatening.

Community First Academy Trust defines unreasonable complainants as 'those who, because of the frequency or nature of their contacts with the academy, hinder our consideration of their or other people's complaints'.

A complaint may be regarded as unreasonable when the person making the complaint:-

- refuses to articulate their complaint or specify the grounds of a complaint or the outcomes sought by raising the complaint, despite offers of assistance;
- refuses to co-operate with the complaints investigation process while still wishing their complaint to be resolved;
- refuses to accept that certain issues are not within the scope of a complaints procedure;
- insists on the complaint being dealt with in ways which are incompatible with the adopted complaints procedure or with good practice;
- introduces trivial or irrelevant information which the complainant expects to be taken into account and commented on, or raises large numbers of detailed but unimportant questions, and insists they are fully answered, often immediately and to their own timescales;
- makes unjustified complaints about staff who are trying to deal with the issues, and seeks to have them replaced;
- changes the basis of the complaint as the investigation proceeds;
- repeatedly makes the same complaint (despite previous investigations or responses concluding that the complaint is groundless or has been addressed);
- refuses to accept the findings of the investigation into that complaint where the academy's complaint procedure has been fully and properly implemented and completed including referral to the Department for Education;
- seeks an unrealistic outcome;
- makes excessive demands on academy time by frequent, lengthy, complicated and stressful contact with staff regarding the complaint in person, in writing, by email and by telephone while the complaint is being dealt with.

A complaint may also be considered unreasonable if the person making the complaint does so either face-to-face, by telephone or in writing or electronically:-

- maliciously;

- aggressively;
- using threats, intimidation or violence;
- using abusive, offensive or discriminatory language;
- knowing it to be false;
- using falsified information;
- publishing unacceptable information in a variety of media such as in social media websites and newspapers.

Complainants should limit the numbers of communications with a academy while a complaint is being progressed. It is not helpful if repeated correspondence is sent (either by letter, phone, email or text) as it could delay the outcome being reached.

Whenever possible, the head of establishment or Chair of Trustees will discuss any concerns with the complainant informally before applying an 'unreasonable' marking.

If the behaviour continues the head of establishment will write to the complainant explaining that their behaviour is unreasonable and asking them to change it. For complainants who excessively contact Community First Academy Trust causing a significant level of disruption, we may specify methods of communication and limit the number of contacts in a communication plan. This will usually be reviewed after 6 months.

In response to any serious incident of aggression or violence, the concerns and actions taken will be put in writing immediately and the police informed. This may include banning an individual from Community First Academy Trust.
