

Ripley Infant School – Sports Premium Statement

What is it?

The government is providing additional funding to improve provision of physical education (PE) and sport in primary schools. This funding is provided jointly by the Departments for Education, Health and Culture, Media and Sport. It can only be spent on provision of PE and sport in schools.

Why was it introduced?

The funding was introduced to capitalise on the legacy of the 2012 Olympic Games and encourage greater participation through quality sports and PE provision in schools. In the summer of 2017 the government announced that they were ‘... confirming our commitment to doubling the physical education and sports premium for primary schools. All primary schools will receive an increase in their PE and sports premium in the next academic year.’

How much Sports Premium have we received?

For the financial year 2017-18 we have received **£8,514**.

How do we plan to use the Sports Premium this year?
