23<sup>rd</sup> November 2018

Dear Parents / Carers,

**Focus Week, 11<sup>th</sup>-15<sup>th</sup> February 2019**

We will be running a Focus Week in Spring centred on STEM subjects (Science, Technology, Engineering and Maths).

We would like to invite parents who work in any of the above disciplines to attend the school during this week to share their skills and experience with Prae Wood children and really bring their learning to life. Maybe you could talk to the children about your career choice, and how these subjects influence your work, or perhaps you deliver a workshop to some of the classes?

If you feel you could help, or would like to know any more about the planned events, please contact me

Kind regards,

Jenny Sheppard  
Headteacher
