RE: Talk English Course

Dear Parent/Guardian/Relative

The Meridian Centre, based in the Manningham area, would like to deliver the Talk English Course at **HOLLINGWOOD PRIMARY SCHOOL**.

Talk English supports people with low levels of English to improve their language skills, access services and get more involved in the community. It is aimed at people 19 years plus such as parents, siblings or relatives of children/students whose first language is not English. There are regular Talk English Activities for people learning English so they can meet others, practise speaking English and do something fun and different. Talk English Courses are for beginners and will help you to improve your speaking, listening, reading and writing skills.

The Talk English course is a free course. The duration of the course is 15 weeks with a two hour class every week. We will provide the tutor and all course materials and resources free of charge.

If you wish to learn English, please fill in the slip below and hand in to reception at the school.

Yours Faithfully,

Shamim Khan
Manager
