

**School Christmas Production on DVD!**

As in past years, The Friends of Fetcham Village Infant School have once again asked Epsom Video Services to record the school's upcoming Christmas production – "The Inn-spectors" – and make copies available for purchase on DVD.

As Rabbits Class and Squirrels Class alternate their appearances in the production, the DVD will be an edited version of 2 different performances, ensuring that all the children will be seen in the film.

If you would like to make an order, please complete the form below and return to the School Office (with payment) by close of school on **Thursday 13th December** in an envelope marked CHRISTMAS DVD. The DVDs are then made to order and will be available for collection the following week, before the end of term.

The DVDs are priced at **£14.50** each, and are a great way to share the event with relatives and friends who can't experience the play in person, and to keep as a special family memento. £1.00 from each DVD sold goes towards the Friends' Committee's fundraising for the school.
