

Purple People Kitchen - The Portslade Food Bank

Dear Parents & Carers,

As part of the Portslade Partnership of Schools, we have started a project to support the Portslade Food Bank who support people in need in our own community. Each month, a different school in the partnership is asking their families who are able to donate suitable food items. December is our month!

We would be grateful for any offerings of pre-packed food with a shelf life such as coffee, sugar, breakfast cereals, tinned meats, tinned fish, tinned vegetables, pasta, jam, tinned fruit, hot chocolate, biscuits, cook-in sauces, herbs and spices, beans and pulses and rice.

Please bring in your donations to **your child's classroom** (boxes will be available in each class) from Monday 10th December. Our donation will be collected on **Thursday 13th December**.

Yours sincerely,

Mrs Vania Humphrey
School Council Chair

We need your help!

Portslade Food Bank is in need of contributions.

The Food bank at The Purple People Kitchen in Portslade Town Hall opened in October 2013. We operate on Fridays from 12.00-2.00 for people who are referred to us as being in need. We are currently helping to feed 30-50 local people each week.

Many of the Supermarkets and local businesses make contributions. They provide bread, vegetables and fruit with some pre-packed items. This is given to Fare Share who distribute the food to all the Food Banks across the City.

Some very kind members of the public make direct donations of food and toiletries. In spite of this we are falling short in our ability to feed all the people, who due to many circumstances find themselves in need. We require pre-packed food with a shelf life.

Rice, pasta, tinned meat and fish, cook in sauces, tea, coffee and cereals are our main requirements.

Our organisation is very much dependant on generosity. Your donation will make a huge difference. Thank you in advance for your help.

Ann Menhinick. Treasurer
