Party 1.30-3.30pm
Friday 21st - Leake Church
service, 1pm
School Closes 2pm

Our Learning this week

In English, we have continued our newspaper article linked to Pancho Pirelli. We have focused on using quotes and inverted commas within our writing.

In Maths, Y5 have focused on developing their understanding of perimeter, and have looked at finding missing lengths of composite shapes. Y4 have focused on developing their understanding of angles, and recognizing symmetry.

In Big Idea, they have created their own musical score to a Tom and Jerry film.

In PE, they have continued to develop their Gymnastics routines and looked at developing their running and jumping techniques for Athletics.

Homework

- Please ensure children are reading at home 4 to 5 times per week. We read on a daily basis at school and this needs to be mirrored at home.
-

Reminders

- Next week, we will be continuing the new Maths initiative called 'Early Bird Maths'. This will begin as soon as children enter school. To support this, we are opening the school doors at 8.45am, to ensure the children have as much learning time as possible. Please try to get the children into school for this time, as this will be beneficial for their learning.
- Please ensure children are bringing in appropriate footwear for Forest Schools on a Monday, and appropriate PE Kit for a Monday and Friday.
- Children should have both outdoor and indoor shoes for school.
