Party 1.30-3.30pm  
Friday 21st - Leake Church  
service, 1pm  
School Closes 2pm

## Our Learning this week

### English:

We LOVE our new text, Traction Man. This week we have been getting to know the characters a little bit more. The year ones have been thinking what they like and don't like about the book while the year twos have been having a go at improving sentences in the book by adding more detail.

### Maths:

We been working so hard on understanding money this week and we celebrated by having a pancake picnic on Friday. We had lots of toppings for our pancakes and had to add up how much our pancake cost to make!

### Big idea:

We have had a Global big idea this week. Our question was, how can we unite people with music. We looked at the national anthems for different countries and had a go at making music using instruments native to different countries. We had so much fun!

## Homework

Knayton's Got Talent will be taking place next Thursday!!!

If children want to, they can perform a talent. This can be anything at all from singing to stand-up comedy!

Over the weekend, have a think about if you want to take part and if so, practice practice practice your wonderful talents! I can't wait to see them!

## Reminders

We have now introduced our a new Maths initiative called 'Early Bird Maths'. To support this, we are opening the school doors at 8.45am, to ensure the children have as much learning time as possible. Please try to get the children into school for this time, as this will be extremely beneficial for their learning.

As the weather is now turning colder, please can you make sure your child has suitable **outdoor** PE kit which includes long tracksuit bottoms or leggings, trainers and a jacket or hoodie.

Please make sure your child has a pair of wellies in school for wet playtimes and Forest Schools.
