

Grampian Primary Academy KS2 Acceptable Use Agreement

At Grampian Primary Academy we make sure that everyone feels safe in school at all times. Staying safe when you are using the computer and on the internet - whether at home or at school - is very important too.

These rules will help to keep you safe. Your teacher will explain them to you and you can discuss them in class. Once you have understood them, you can put your name at the bottom of the rules and we will give you a copy to take home.

- I will use the school computers and technology sensibly
- I will ask permission from an adult before I look at the internet
- I will only look at my own work and not delete anyone else's files
- I will not bring in USBs from home without permission
- I will only email people I know
- I will always be polite and use appropriate language when emailing or sending messages on the computer
- I will not give out my personal information or arrange to meet anyone
- If I think anything on the internet upsets me or a stranger sends me a message, I will tell an adult
- I know school will check my computer and be able to see what I am doing and what sites I have visited
- If I break these rules I know I may be stopped from using the internet and/or computers
