

Recruitment of Primary SLEs in the follow areas:

English Reading **RE** **English Reading and Writing**
Behaviour and Discipline **Science** **History and Geography**

If you are an experienced middle or senior leader who is interested in supporting leaders in other schools, you may wish to apply to be a Specialist Leader of Education (SLE).

Teaching schools are responsible for the selection and placement of SLEs. This is one part of the government's plan to give schools a central role in developing a self-improving and sustainable school-led system.

Across Brent there are approximately 20 SLEs currently and we are seeking to recruit additional SLEs to support school improvement.

An excellent and nationally recognised training programme is available and there is no minimum or maximum time commitment. The Teaching School will negotiate your availability together with your school and discuss arrangements to pay for your time out of class.

Specialist Leaders are:

- ◆ Outstanding middle or senior leaders with a particular area of expertise and the capacity, skills and commitment to support others in similar positions in other schools
- ◆ Have two years experience as a leader in their area of expertise
- ◆ Passionate about improving outcomes for pupils through collaboration of colleagues in schools seeking support

Are you:

- ◆ Confident about sharing your successful practice with other teacher colleagues
- ◆ Up for the challenges and rewards of being involved in this exciting and transformative approach to teacher to teacher development
- ◆ Open minded, flexible and approachable
- ◆ Keen to learn and lead in collaboration with teacher and leader colleagues
