TOP ATTENDANCE THIS WEEK

Pear Class: 99%. This is brilliant!

- *Speaking and Listening activity for families to discuss: If you were invisible for the day, what would do?*

This week: Thank you to all classes and staff for their excellent efforts this week. Around the school, what a huge variety of interesting learning happening! Reception class singing a variety of new songs, Year 1 and 2 learning how to play cricket, Year 3 investigating a balanced diet Year 4 filming using the iPads, Year 5 learning rugby and Year 6 writing musical accompaniments to wintery stories. Through our work with Voice 21, it is also great to see and hear the children's Speaking and Listening skills developing. This is in particular through the use of teacher 'stem sentences' and vocabulary walls. This means sentence starters, like "I think ___ because ___," or lists of helpful words they can use (e.g. float, sink, carbon dioxide, hypothesis, conclusion, observations, buoyancy in a Y6 Science lesson) which help to develop how our children articulate themselves. Great stuff!

St Martin's Garden
