

Sports Premium Funding 2018/2019

At St Martin's we believe every child should have the opportunity to be active and Physical Education plays an important part in their journey with us.

We receive additional funding from the Government to improve provision of physical education (PE) and sport in primary schools. We are committed to using this money to leave a legacy; providing children with high quality teaching, opportunities to try a variety of sports, take on leadership roles and participate in both intra and inter competitions. After evaluating previous years' successes our Every Child Active Leadership Team continue to strive to build a legacy of continually improving sporting opportunity and quality teaching and learning.

What impact has Sports Premium Funding had to date?

- Achieved 'Gold' quality mark from Sainsburys School Games
- Weekly celebration of 'Active Ambassadors'
- Winner of the Most Supportive School at the Surrey Youth Games for 3 years
- Currently around 17 different sports being taught
- Borough values and coaching awards presented to staff and pupils
- All staff have received Val Sabin training to develop teaching in PE and Games
- Hosted and organised several borough tournaments including netball, football, rounders and gymnastics
- New Sports Festival introduced to promote sportsmanship and team work across year groups
- Play Leaders rewarded in the Summer with a celebration afternoon
- Over 15 tournaments were entered last year with 3 reaching county level
- We have taken part in a variety of inter and intra school competitions including: cricket, tennis, rounders, football, netball and a whole school virtual athletics competition
- Links made with several local clubs including Epsom Lawn Tennis Club, Leatherhead Swimming Club and Epsom Cricket Club
- We have had organisations coming in to introduce the children to new sports such as fencing and Tri Golf
- All children took part in a successful Sports Day and represented their 'house' in at least 2 events.
- New 'Active' stations increasing ad hoc participation in sporting activity

Funding 2018 - 2019

How much money have we received?

Funding for schools will be calculated by the number of primary aged pupils between the ages of 5 and 11 as well as a payment of £32,000 (£16,000 for Infants and £16,000 for Juniors).

Total amount of Sport Premium Grant received is based on £10 per pupil plus £16000 per school.

TOTAL: £37225 (this is received in two tranches 7/12 on 31st October and 5/12 on 30th April)

Accountability

Schools are held to account over how they spend their additional funding and are required to include details of their provision of PE and sport on their website, featuring both curriculum coverage and extracurricular sports available.

Ofsted have commented that there is too little strenuous exercise in PE sessions which is reflected in the new set of outcomes for the PE national curriculum introduced in September 2014. The introduction states:

Pupils should develop fundamental movement skills, become increasingly competent and confident and access a broad range of opportunities to extend their agility, balance and coordination, individually and with others. They should be able to engage in competitive (both against self and against others) and co-operative physical activities, in a range of increasingly challenging situations.
