Dear Parents/Carers

General Permission for Year 5/6 Transition Activities

From time to time throughout Year 5/6 your child, together with other Year 5/6 pupils, may be taken out of school, during school hours, in order to participate in transition activities. These activities are designed to help your child’s transition into the secondary phase of his/her education. They often include visits to South Hunsley School and sometimes also include visiting/ working with Year 5/6 pupils from other partnership primary schools. Members of our school staff always accompany the children whenever these activities take place.

Sometimes the children are escorted on foot, under the supervision of our school staff, to and from the appointed venue (usually, but not exclusively, South Hunsley School) or alternatively they may be transported in a vehicle supplied by South Hunsley School or a car belonging to and driven by a member of our school staff.

Owing to the nature and number of these transition activities we are seeking your permission, in advance, to take your child out of school, as outlined above. Information regarding precise arrangements for each visit will be circulated to parents/carers at the appropriate time.

Please complete the permission slip below and return it to the school office for inclusion in your child’s personal file. Thank you for your support.

Yours sincerely

Mr R Orr
