WELL DONE!

Outdoor play is an integral part of our school curriculum which promotes health and fitness.

Please make sure that your child has suitable shoes for being outside.

Also on the sunny days, please ensure you provide a hat and sunscreen has been applied to your child

**BELT UP! OR BUCKLE UP!**

Dear parent/carer

It has come to our attention that some parents/carers are not taking appropriate action towards safeguarding their children whilst travelling within motor vehicles.

As you should all be aware, seat belts and child restraints are available to purchase to ensure your child travels as safely as possible from one destination to another. It also stipulates that within the law persons responsible for the collection or delivery of children abide by these terms.

Please ensure your child is belted up in an appropriate car seat . Any person found disregarding the rules may find themselves being prosecuted.

### **Farm Trips**

The farm trips will take place on Tuesday 26th June for the afternoon children and Wednesday 27th June for the morning and 30 hour children. Please ensure your child is in school as promptly as possible once the doors open at 8.45am. They will be returning to Nursery School at approximately 3pm.

Your children will need to be wearing suitable clothing and footwear for this trip and no food or drink is allowed to be taken as this will be provided.

**Thank you for your support**

### **Royal Sports Day**

We all had a fantastic time on Sports Day and enjoyed taking part in all the activities. Look out in nursery for the photos!!!
