

Catherine Infant News!

We are all stars

Newsletter: December 2018

Dear Parents

It was lovely to see so many of you attending Parents afternoon and evening on 20.11.18 to meet your child's teacher, to hear about your children's progress and to see the excellent work they are producing in their books. We really appreciate working with parents to ensure all our children progress and develop into confident learners and speakers at Catherine Infant School.

Many of you have supported the book fair in the hall last week. Around £600 of books were purchased by you for your children – I hope you have all enjoyed sharing them. This also means that the school has been able to choose about £60 worth of new books to go into our school library which all the children very much appreciate.

On Thursday we are holding our Winter Fair in the hall from 3.30-4.45pm. We hope you will come and support us with this. Please bring your friends and family. Hot food will be on sale and there are games and activities for the children to join in at a small charge. The raffle has some absolutely fantastic prizes to be won. We are raising funds to replace some of the interactive whiteboards in school. They cost around £2500 each – we have 14 in school so you can see what a big job we have on our hands!

December is a busy month at school – so many activities are taking place. I have included a diary for December on the newsletter so everyone knows what is happening when.

Looking forward to seeing you all on Thursday at the Winter Fair.

Yours sincerely

Mrs Harrold
Head teacher

Litter

Our school playground is getting covered with litter. This is not pleasant for the children to play in and makes it look like we don't care about our school. Please put all litter – sweet wrappers, crisp bags, banana skins, apple cores in a bin.

Parents – you are the example to the children – if you throw rubbish on the floor – so will the children.

Let's work together to run a litter free school playground please.
