

Yorkshire Schools Trampoline Competition

1/12/18

A fantastic achievement by Hillside Primary School

On Saturday Hillside Primary School sent a team to the Yorkshire Schools Trampoline Competition. It was held in Hull, so this meant a very early start, 6:15AM to be exact.

The competition was amazing and considering the children from Hillside had had only six hours of training, they were superb. Every single one of them performed to the best of their ability. Even under the scrutiny of the judges they completed their routines.

The girls were against 47 other competitors and finished ninth. The boys won their competition and have qualified for the Regional Finals. These are to be held in Northern Ireland.

The children of Hillside did the school proud.

An amazing day with a fantastic outcome.
