

EVALUATION OF YEAR 3: 2015 – 2016 - The school sports premium
ADDITIONAL SPORT INCLUDING: swimming lessons

The strategy has been to:

1. Increase competitive sport between schools on a local and regional level
2. Provide high quality PE teaching and learning with a clear policy that meets the need of the curriculum
3. Increase health and wellbeing

The curriculum states schools must deliver high quality PE in the following areas:

In key stage 1 we will deliver a fundamental movement skill curriculum, identifying our children's needs and meeting them with a variety of activities and challenges in dance, mini games and gymnastics

In key stage 2 pupils will develop their physical skills alongside teamwork, social interaction through challenges in OAA (Year 6 attend a one week residential at East Barnby; Year 4 attend a 3 night 2 day residential at Carlton Lodge) gymnastics, dance, athletics and team games

Sports premium: £10,006

1. Duncan Burgess to organise sports competition between schools and venues.
2. A 0.2 FTE qualified primary school teacher with a PE specialism. Mrs Clay has been appointed to this position for another year and will work with staff on a Thursday.
Mrs Clay will continue to audit need; deliver a timetable of High Quality PE over the next year through teaching /coaching class teachers in areas 1.2.3 and 2 of the curriculum (above)
Mrs Clay will work alongside the PE subject leader to deliver High Quality and improved health and well being for all our children
Mrs Clay will run a gymnastic club after school for our children at no cost to parents. Times and who can attend this club, will be determined in the coming weeks.

NB – as there will be a number of new staff Mrs Clay's input with them all for planning, assessment resources/equipment will be very important again at the start of the year.

Term 1 (c.14 weeks) – catch up for Year 5 and 6 children who cannot swim or have not achieved 25 metres / competency in water.

Term 2 and 3 (c. 25 weeks) – swimming lessons for Year 4 children. This will be in place of a PE lesson in Year 4. Any Year 6 children still not swimming will attend these 2 terms in order to meet the competency in water and 25metre target.

How were these aims achieved –

- Mountain Ladders Assessment targets were written by the PE specialist and introduced to assist staff in monitoring skills and movement within PE sessions.
- These also focused upon developing specific skills and targets for pupils to achieve to build skills in specific areas of PE
- They assist staff to identify children who are finding aspects of physical education difficult or with poor motor skills
- A targeted after school club was introduced for children in Key stage 1 and will be introduced for Key stage 2 next year
- PE specialist worked with staff to develop a program activities to benefit pupils and develop physical skills both fine and gross motor.
- The long term and medium term plans for PE were reviewed by the PE specialist and coordinator to reflect this.
- After school clubs were run for gymnastics, cross country and football - to ensure pupils were prepared for these competitions, In addition to the usual after school club programme

- Pupils were given the opportunity to participate in Sports Hall athletics, dodgeball (targeted pupils), and a mud Run in Year 5/6 for the **first time** this year, as well as attending School games events held locally.
- Year 5/6 pupils were all given the opportunity to develop sports leadership skills by designing and running activities for a Key stage 1 festival which was hosted by the school in July.
- Three staff training sessions were held after school for staff throughout the year for continuous CPD
- PE specialist worked alongside all class teacher to continue consistent delivery of HQ PE in school
- A Comprehensive Competition structure was offered to pupils' - for them to compete against each other , other schools and achieve against their own personal targets beating their own personal best.
