Dear Parents/Carers

KS2 Christmas Production
Arrangements for Evening Performance on
Tuesday 11 December 2018

All children are asked to arrive at school by **using only the Year 3/4 corridor** entrance no earlier than 6.00 pm and by 6.10 pm at the very latest in time for the performance to begin at 6.30 pm.

All parents, whether attending the performance or not, are asked to collect their children from their respective classrooms at approximately 7.45 pm (*please understand that the exact time children will be available for collection will depend on the length of the performance on the night which can only be estimated*).

The correct number of seats will be set out in advance of this performance and will be allocated to ticket holders only. It is therefore important that parents do not arrive without their ticket. Those who arrive without tickets will be required to wait until all other ticket holders have been seated. If there are no vacant seats left, parents without tickets will not be admitted.

We trust that parents understand the need for us to control the number of people attending each performance in order to ensure the health and safety of everyone involved and to prevent any unnecessary confrontation may we remind parents that siblings will not be admitted without a valid ticket.

Thank you for your support and understanding.

Yours sincerely

Mr R Orr
