Dear Foundation Stage Parents / Carers

The children in Foundation Stage will be presenting their Christmas Greatest Hits Performance on Friday 14th December at 2.30pm.

Admission will be by ticket only. Tickets have been attached to this letter on the basis of two tickets per family. Families may of course give unused tickets to other parents who may want an additional ticket however, we cannot issue additional or duplicate tickets. Tickets are free and are not allocated to particular seats.

Staff and children kindly ask for your attention during the performances. We will have a room available for you to take younger siblings to if they get upset during the concert.

Due to space restrictions, we regret prams and pushchairs cannot be accommodated inside the hall. There will be space outside including under the shelter. Please let us know if wheelchair access is required.

Yours sincerely
