

Personal, Social and Health Education

Peace and Kindness

Everyone is a piece of creating peace
How can you give the gift of peace?

Music

Recognising high and low notes and how these create atmosphere or an emotion.
Create a rhythm using repeating pattern for a space atmosphere.

Science

Introduce, name and identify the planets and the solar system.

Make working rockets using forces.

Compare planets and discuss how they differ from planet Earth.

Make a solar system to place planets in size and lo-

Design our own planet.

Geography

Locate Earth in the solar system.
Identify and name Earth, UK, and Tilford.
Where are we in the universe?

Discuss differences of a map, globe and satellite image.

Design a map of the school grounds using symbols.

RE

Jesus as a gift of peace

Art /DT

Exploring works by Jackson Pollock.
Create a decoupage space scene using JP technique.

Using drag and squeeze technique design your planet surface.

Using paper mache design a solar system mobile.

Design your rocket logo and pattern.

Role play

Have you got your Intergalactic passport!
Check-in and Blast off to Planet Zing!

WOW

BLAST OFF!

Design, make and launch a rocket.
Lost in Space

PE

Movement to Music.
Agility in Space.
Repeating patterns.

King-
Class
