Subject: CHRISTMAS FILM NIGHT

Dear Parents and Carers,

Hopefully you have all sent in your slips and money for the Christmas Film Night tomorrow, I know lots of you have! Originally we were offering story-time for any younger children who didn't want to watch the film, but due to very small numbers requesting this we are no longer able to offer this. I hope everyone will enjoy the film together, if any little ones do get fidgety there will be plenty of adults to help on the night.

Kind Regards

PTA
