

# Yellow Class

Teachers: Miss A Sellex

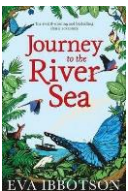

Teaching Assistants: Mrs C Harvey

Welcome back after busy holiday season, we are looking forward to the Spring Term as it looks to be an exciting one for Year 4 with our Burwell Residential coming up in March.

## Topic this Term: 'Rivers'

Our big question:

### 'What's around the River Bend?'

English & Guided Reading: During our topic this term we will be reading 'Journey to the River Sea' by Eva Ibbotson. We shall be basing our learning around this text. Purchasing an individual copy for you child will support their learning; we shall be setting up a gateway payment option from January 14<sup>th</sup> (£3.99).

Geography: We will be concentrating on environmental regions and physical and human characteristics of the Amazon River and Rainforest. Focusing on key aspects of physical geography including climate zones and the water cycle.

Science: Living things and their habitats- linking to plants and animals in the Amazon Rainforest and how change their environment is changing through human impact.

Please continue to support your child with their reading and learning their timetables daily. Spellings will be given out on a Friday and tested the following Friday.

## Upcoming Events
