

# Year 1 Menu - Spring

By the 1st March 2019 you need to have completed the tasks set below— a starter, one main course, one dessert and one drink. All work must be handwritten, so make sure you pay attention to your presentation, particularly your spelling, punctuation and grammar—this is partly what your work will be marked on. All participants will receive 25 house points with the best entry from each class receiving a £5 Tesco voucher.

## Starter

Go to the library with your helper and find a fairy tale; it might be Cinderella, Sleeping Beauty or Jack In The Beanstalk. If you don't go to the library you could download a version. Read through the book with your helper— draw a picture from the book. Could I guess which fairy tale it was from?

## Main Course

### Meat Option

This term we will be learning about the church in Rainham.

Draw a picture of the church—you could use pencils, pens, crayons or paints.

Write a little bit about what the church looks like—is it old? Do you think it looks big or small?

### Vegetarian Option

Read the fairy tale of your choice.

Try to build the house that your character lives in. Remember to think about the windows and doors. Is it the princess' castle or is it the woodcutter's hut? Make sure it will stand up—is it going to be strong enough?

Could you paint it? What colour is the roof? What about the front door?

## Desserts

**Choice 1**— In Computing we will be looking at using a Paint program.

Paint a picture for your teacher that she could put on her wall. Think about the colours and shapes that you use. Will it be a happy picture?

**Choice 2**— In Science we are going to be looking at what happens in each season. Draw 4 pictures—one for each season and write a sentence about what you will see in this season. Will you draw snow for Winter? What about leaves falling off the trees in Autumn?
