## New Road Primary School

Weekly Newsletter—Week 13

### Family Learning

This weeks Family Learning had a festive theme with children making a twig Christmas Tree and then decorating it. They had five different lengths of sticks and some string and had to attach them together with the smallest at the top. Once completed they could start to decorate their tree using baubles, tinsel, ribbon and beads and then choose a star or snowflake for the top. I am sure you will agree that the results are fantastic,

For Your Information

## School Panto—13th December

We are on our annual panto trip next week and would like to remind you that you need to send your child into school with a packed lunch unless an arrangement has been made with school.

All children need to be in school uniform and can bring a bottle of water and a fruit snack with them,

Please ensure that all children are in school for 8.55 am at the latest as the coaches are picking up straight after registration and cannot wait for children running late.
