Payments to the office

From next week and for future payments can we please request that payments to school for childrens activities, ie, trips, disco, panto, any tickets etc be sent in sealed, NAMED envelopes and given directly to class please. This enables class teachers to keep their own class records of who has paid. The only money we can accept in the office from now on is dinner money and money for breakfast/after school clubs. This is also a requirement for audit purposes as a paper trail of money received is highly important. Thank you in advance.

Uniform Suppliers

We have now changed our uniform supplier. We are now using Touchline who are based in Warrington. All prices remain exactly the same as before. Any parents who wish to order can do so online via Touchline. Delivery to school is free of charge and there is also the option for parents to collect direct from them once they have placed an order. Order forms can still be filled in and paid for in school but parents may wish to look at online ordering for future orders as card payments can be made directly to Touchline. **We will not be keeping stock in school anymore so please bear this in mind for the future.** Also, as your child's name is printed inside on the label, we are unable to exchange any items of uniform so please order appropriate sizes. Thank you.
