

CENTRAL STREET Newsletter

7th December 2018

We are really looking forward to next weeks performances of **Cock a doodle Christmas**. The children (and staff) have been working really hard. It's going to be fabulous!

If you are attending the performances, please note that:

- No hot drinks can be taken into the hall.
- No photographs can be taken during the performances but you can take a photo of your child at the end of the show, next to the Christmas tree.

Please ensure you let the school office know if you change your phone number or if you think you are not receiving texts.

We communicate regularly via texts and we don't want anyone to miss important information.

Foundation

In Foundation, we have been having lots of fun with our superhero topic. We have been reading all about Supertato and The Evil Pea, who came into our class and stole our snack! The children were great detectives; hunting for fruits and vegetables outside, following clues to recover our missing snack and creating wanted posters to find The Evil Pea. We have also made our own "super-veg" and written lots of speech bubbles and captions to match pictures from the story.

Foundation have also been very busy in preparation for Christmas; helping to create a whole school advent calendar, making tree decorations, cards, gifts and creating head dresses for our Christmas performance.

Class 1 & 2

We have been practicing addition and subtraction using equipment. We have used base ten, tens and ones coins and even bears to help us prove a sum is correct. We have then been trying to draw our own pictures to help us solve a number sentence.

Some visitors came this week! Teddy came to visit Year 1 and the children learned how to keep him (and themselves) safe in the car. Year 2 practiced their pedestrian skills and went out into Hebden Bridge to look for ways cross safely and keep safe when walking by the road.

Class 3

In Class 3 we have begun to find out about Christmas. We shared the story Dear Santa and wrote our own letters to Father Christmas. We have made some Christmas decorations using pine cones. This week we enjoyed watching the film The Snowman. We have then shared The Snowman as a book and we will continue to work on this.

On Wednesday afternoon we invited our parents for a Stay and Play session. This was a really successful event and we loved having everyone in class and hope to repeat this session again in the new year.
