Issue 11 7th December 2018

Dear Parents/Carers,

As we move into the season of Advent we had our first taste of Christmas at the Christingle service on Sunday. It was a wonderful community service with representatives from the church, school, parish council and local people. The school choir represented the school at the event and sang beautifully. We were really pleased to welcome the Pre-school children who took part in our Christmas craft activities this week. We have many more school events planned for the next two weeks. The first being the school Christmas Fayre tomorrow at KS2. Again the choir will be singing and there will be lots of opportunities to buy presents for friends and family.

The KS1 children and staff are working very hard at the nativity play and they will have their first dress rehearsal on the 12th December to which any preschool children and their parents are invited to watch. The big day is Friday the 14th where we will be inviting the wider school community to enjoy the children perform 'Prickly Hay'. As this is the last nativity for the year 2 children we will be reserving the front two rows for their parents.

We held our School Improvement meeting on Thursday which was well attended by parents and governors. I have put the presentation slide on the website in the 'Ofsted' area, which you can access it at <http://www.thenewforestschool.wilts.sch.uk/our-school/ofsted>

There were many positives from the meeting but there are still things we need to work on. One of the areas that continues to worry parents is how well their child is progressing. These are some key things that might help you understand the process.

- There are three opportunities to discuss your child's progress each year – October and March parent's evenings and in July's school reports.
- If the school feels that your child is not progressing as they would expect, then the teachers will contact parents to arrange a meeting.
- Pupil progress meetings that takes place 6 times a year with teachers, SENCo and Acting Head Teacher. We discuss every child and identify any needs we feel they might have – anything significant would be discussed with parents.
- In reception Tapestry gives you a window into what is happening at school. Please do activate this account.
- Children's attainment is now measured within year, this is referred to as 'Age Related Expectations' and is measured as 'working towards', 'expected' and 'greater depth'. Progress is measured as 6 termly steps over the year and is analysed internally by the leadership team and monitored by the governors and our 'Challenge and Support Partner'.
- Most importantly if you are not sure please do arrange to meet your child's teacher if you are concerned. They are always happy to clarify things.

As always the sport at the New Forest School is outstanding and this year is no exception as the football, hockey and netball teams have qualified for the County Finals, well done to all of those children.

If I don't see you at the fayre then I hope you have a great weekend with your family.

Your local Scout Group is looking for Trustees – Could this be you?

Our secretary and treasurer have decided it is time for them to step down from these important executive roles. Therefore, we are now looking for people who would like to take an active part in the group executive.

Both the secretary and treasurer have said that they have loved being an important part of the group, helping to shape and develop the future of our group. By being a trustee, you will find it both a challenging and rewarding way to support scouting.

Bring along your existing skills and develop some new ones, become part of a team that believes that Scouting is for all, that we are about developing young people to have skills for life.

There are role descriptions and more detailed guides on being a secretary and treasurer, plus a document on what it is to be a trustee, if you would like copies. Whoever takes on these roles will have the support of our Chairman, myself as Group Scout Leader, plus our leaders and support from the District and HQ.

There is a small amount of training that is required, this will introduce you to Scouting, our values and methods and the role of the executive. The other training is on General Data Protection. You will also have lots of time with our current secretary and treasurer to learn the roles first hand.

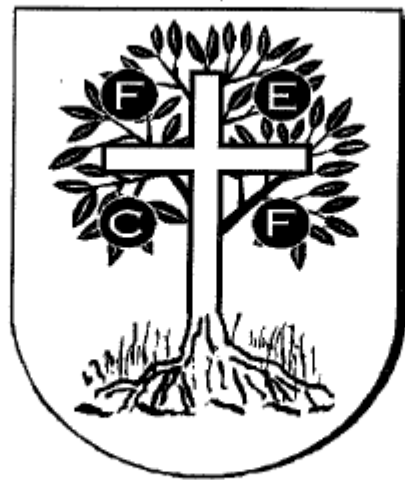

If you know of anyone that may also like to consider the roles, please do pass on the information, you do not need to be a scouting parent to be on the exec.

Maybe you were yourself in Scouting or Guiding and have fond memories of this time. There is still much to do, if you would like to know more please do contact me on
