School Gates

Thank you all for your cooperation with the new systems in place with the school gate. We feel it has been largely successful in helping to keep our children safe and more people have been using the Lollypop Lady which is great. We do however, still have some people parking on the double yellow lines and stopping on the zig zags, which is both unsafe and illegal. We have been in touch with the council and they are arranging Parking Enforcement officers to be in attendance before and after school. We have also requested that the zig zag lines and double yellow lines are repainted. Once the dangerous parking has stopped then we will reconsider opening another small gate.

Ipay

We would like to thank all parents who have logged onto and are using our new system for payment of school dinners. Very shortly we will be rolling out this system for breakfast and after school club and also school trips. More information on this will follow.
