ALL WELCOME!

Dear Parents/Carers

As the Christmas break approaches I would like to give a final reminder of the last few events of this term. As always, there have been a huge number of opportunities for our pupils to extend their school life, at lunchtimes and after school. Many of the activities can be viewed on our school website. One of my fond memories of this term was the Autumn children's Remembrance Service; Mr Murray has made a wonderful video of the children which I encourage you to watch. As we approach Christmas may we thank those who gave their lives for our freedom and remember 104 years ago those men who met in No Man's Land in the spirit of peace.

The prospect of Christmas cheers us and lifts our spirits away from the cold, dark and depressing weather of the season. The school looks and sounds extra wonderful, with staff and children working very hard to produce tree decorations, calendars and practising carols.

As the term draws to a close, it is with humility and gratitude that I both look back on the term and with barely restrained anticipation look forward to the holidays and next term! I am sure that pupils, parents and carers would like to join with me in thanking all of the staff and governors at Nafferton School for their continued tremendous hard work and commitment to the children of the school. Likewise, we the staff, governors and children would like to thank all parents and carers for all your support. Last but by no means least, the whole school community thank our pupils - you are indeed some of the best pupils I have ever had the pleasure of working with, we are very proud of you.

I wish everyone peace and happiness in all homes and families during this holiday season - may we all be safe and keep healthy. Merry Christmas to everyone! Enjoy the turkey, the mince pies, the biscuits and sweets and best of all the lights and carols! See you in January 2019.
