## ATTENDANCE

Attendance is something that we, as a school, are working hard to improve as our attendance is below the national average. We are currently reviewing our attendance policy, and you will receive more information regarding this in the new year. We intend to introduce more rewards for good attendance, and one change will be a reward for a class which achieves 100% attendance for a whole week. Any class which achieves this will have a non-uniform day the following Monday.

This week we have had a class with 100% attendance – Well done to Potter class in Year 1. This class can attend school on Monday (3<sup>rd</sup> Dec) in non-uniform.

Overall weekly attendance this week is 96.58% and overall attendance to date is 95.88% - which is still below our target.

***Regular attendance at school is vital for your child to make the progress that they should.***
