Dear Parents and Carers

As a school we are seeing a significant increase in the number of children bringing mobile phones into school. I would like to remind parents and children that mobile phones should only be brought into school under exceptional circumstances and should be stored at the school office until the end of the school day.

If you need your child to bring a mobile phone into school then you should ensure that you have adequate insurance in place for the phone as the school holds no responsibility for any loss or damage to personal phones. They are brought into school at your own risk.

If your child needs to bring a mobile phone into school because of exceptional circumstances please complete and return the slip below to the school office. If we do not receive a completed slip then your child should leave their phone at home. If a phone is brought into school without a returned slip or note from home, you will be contacted to come in and collect the phone.

Thank you for your support

Yours sincerely

Neil Frankland
Headteacher
