

# OCTOBER NEWS

## JULIA'S CLASS

### October Review

We have had a very busy month during October.

We have been learning about people who help us in our school and people who help us in the community. We have talked about the Police and Fire Brigade as well as Doctors. Everyone enjoyed making lots of craft pictures surrounding our topics. We have also been learning about Harvest, we have had lots of fun exploring all sorts of vegetables. We particularly had fun painting with vegetables rather than with a brush, this was great fun. We have been looking at number 1 and 2 and enjoying lots of number songs. Some of our favourite songs this month has been the dingle dangle scarecrow, and 5 little pumpkins.

Our colour of the month has been orange, we have done lots of Orange things, we looked at and tasted lots of orange foods some of the orange foods we tasted were peppers, oranges, pumpkin and carrots. We have had fun mixing red and yellow paint to make orange. We have had lots of fun during the last week of term enjoying lots of Halloween activities.

### November preview

In November we will be continuing to learn 'all about me', we will be exploring our emotions and our senses. We will also be exploring the seasonal changes looking at the autumnal changes, and animals in the autumn. We will be listening to new stories and doing lots of mark making. We will be learning the numbers 3 and 4, and learning about big and small. We hope to learn some new songs and to enjoy exploring our senses.

### Home Learning Links

Our Colour for November is Brown.

To help us with our learning please:

- Talk about things that they can see, touch, smell, taste and hear. Encourage them to use their senses, taste something new, touch something hot/cold. Let us know what you get up to at home exploring your senses.
- Show me things that are big and small, ask me to find the big/small one.
- Watch the five senses song (you tube- the Kiboomers)
