Please remember the **dates of your child's trips** out of school between now and the end of term so that they have everything they might need on that day. Any outstanding payments online would also be appreciated before the trip takes place. Thank you.

Christmas Jumper Day is this Friday 14th December and it will be £1 to come to school which will be collected by School Council members on the gate. This will be sent to Save the Children.

Well done to all those children who have been taking part in **various sporting competitions** during the last few weeks. Particularly pleasing has been their attitude towards team members from other schools which has been extremely sportsmanlike!

There are a very small number of evening **Nativity tickets** left for sale and quite a few for the afternoon performance so please call at the office if you need anymore.

A reminder for next Monday morning 17th December our **Christmas service at Christ Church at 9.30am** for the whole school, except Nursery. You are all more than welcome.
