

School Council Meeting Minutes 6th December 2018

Roles and responsibilities

Chair – Erin

Treasurer - Milliejane

Secretary – Millie

Apologies – Theo and Brooke

Healthy points in hall – how do we think it is going?

Everyone thought this was going well and that more children were eating healthier dinners.

Children would like the tables to be fairer in the number of children on a table.

Child friendly safe guarding policy

We looked at a number of child friendly policies from other schools. We decided on which one we preferred. We then talked about what changed we would need to make to the leaflet and anything else we would like to add.

Parliament and civic trips

Mrs Ryding informed us that she has contacted Swinton Town Hall and Parliament about trips to see what work goes on there. We are awaiting dates.

AOB

We are not doing a stall at the Xmas fair but we would like to do something for the Summer fair.
